

Customer Information - MONDO

1st April 2011

Prices are valid on **EX-FACTORY** terms, packing in carton boxes included.

Orders

When ordering, please pay attention to the following details: quantities, description, types of wood, fabric code, type of product, chairs with or without arms.

Special finishes

Special finishes can be supplied if there aren't technical problems in making them.

There shall be a +10% price surcharge for n. 1-12 pcs on standard price.

Wood

Wood is a natural material. Each trunk has its own colour and structure.

Differences in shade or gloss on our wood sample collection are no reason for claims. Since wood is a natural material, slight colour differences may be possible.

Solidwood parts cannot always be manufactured in the same characteristic. If items are bought in different times, there may be colour and shade differences.

Raw – Unfinished products

If required, all our products can be supplied unfinished

raw. Please inquire for the price of relative items.

Information on fabrics

1 - All fabrics have width 1,40 Mt.

2 - Fabric in C.O.M. & CAT. 1 are in the same column.

3 - Our chairs use only "fire retardant foam":

CMHR (BS5852) & CAL. BULLETTIN 117.

4 - C.O.M. – Customer fabrics: COM fabrics must be shipped **FREE OF CHARGE** to our factory. If fabrics are imported from abroad, a certificate of origin must be attached to clear customs in Italy. Any charges, deriving from shipping and/or custom clearing, shall be charged forward to the same customer.

5 - Fabric requirements: fabric and leather requirements per item is reported next to each item.

The fabric requirement is valid for plain fabrics.

In case of COM fabric, the side and direction of thread must be indicated. If, instead, the fabric has a repeat pattern, please specify exact size of repeat so that we can advise the specific amount of COM fabric required.

Delivery times on "Specials"

The delivery time for models with COM fabrics or custom finishes starts when the custom finish or COM fabric reaches our factory.

The order confirmation on orders with special finishes and COM fabrics will be confirmed when all elements, above mentioned , will be in our hands.

Discontinued models

Items which aren't listed anymore on our current pricelist are to be considered "out of collection-discontinued". We kindly ask you to contact our sales office to check stock availability.
